## How do you arrange for garden or yard maintenance ?

Call us to discuss your needs.  
**6332 2106**

Call My Aged Care (MAC) if you are over 65 and need assistance with daily tasks.  
MAC: 1800 200 422

Discuss with your Case Manager if you are already receiving a Home Care Package and ask to receive garden maintenance as part of your package.

Discuss with your Plan Manager if you have a NDIS plan in place.

“Please note that the provision and frequency of on-going subsidised garden maintenance services (lawn mowing and garden pruning) must directly relate to assessed client need in terms of maintaining accessibility, safety, independence or health and wellbeing and be subject to regular review. They are basic services primarily for function and safety rather than for aesthetic effect.” CHSP Manual 2017.
