

Volunteering Central West

Volunteering Central West aims to engage, promote, provide leadership, best practice and tools for volunteer managers and volunteers across Central West NSW

Volunteering Central West, provides an effective service by working in conjunction with local organisations to deliver training and support across the Central West

Register your organisation with Volunteering Central West to increase your opportunities to source volunteers.

Three Easy Steps

1. Provide organisation details
2. Provide a copy of current public liability and volunteer insurance.
3. Provide Position Description

Volunteering Central West will liaise with your organisation throughout the year to update and change position descriptions
