What is the Community Visitors Scheme?

A **free** Program for elderly people living in aged care facilities and those residing in their own homes who experience loneliness and social isolation.

The Community Visitors Scheme aims to enrich an older persons quality of life by having visits from a friendly visitor. The Program also helps them to feel more connected with the local community.

We service the Bathurst and Oberon areas.

*The **Purpose** of The Neighbourhood Centre is to facilitate connections to support and strengthen communities.*

Our values

*Respect, Integrity, Equality
and Inclusion*

What do visitors do?

Community Visitors volunteer their time regularly to develop a relationship with the aged person.

Activities can include;

- Working on a hobby together
- Taking a walk
- Listening to music
- Reading a book
- Having a coffee

The activities you do together will be dependant on the aged person's needs and interests. Sometimes these activities can include 2 or 3 residents.
